Covid-19 Update – April 8, 2020

Dear Valued Clients,

Since the Covid-19 pandemic became an unprecedented event worldwide, many adjustments had to be made to our daily lives both at home and at work. As the rules were laid out regarding this potentially deadly virus, we all had to find innovative ways to stay safe and in touch with our employees, customers, and family members while at the same time practicing social distancing.

With safety and curbing the curve always in mind, our next priority is to ensure our clients that we are still here to assist you with your door needs. We have made many changes to our production and also our pickup procedures in order to prevent the spread of Covid-19. Below is an outline of the changes we have adapted.

If you would like to place an order or have questions, we can be reached via phone, e-mail, or fax during normal business hours which are Monday to Friday 7:30 am to 4:30 pm. We are closed for lunch from 12 to 12:30 pm.

Our Showroom is closed, and all deliveries have been cancelled until further notice. Call the office for Pick up procedures or any assistance with this item.

As the situation with COVID-19 evolves, our plans may alter too.

Know that as we work together through th, we will continue to provide the strong support and service you have come to know and rely on for your business.

Stay safe and healthy!

The Royal Door Team
